OceanConnect

FAQ area

The screenshot shows the Huawei Developer forum interface. On the left, there are two tabs: 'Latest Updates' and 'Personal Updates'. Below them is a list of posts with user avatars, titles, and dates. On the right, there is a sidebar with a 'Sign In' button, 'Signed-in persons for today: 17', and several navigation buttons: 'Popular Blocks', 'My Groups', 'Hot Activities', 'Newbie', and 'Contribution Ranking'.

DevCenter, realize solving your questions in time

The screenshot shows the Huawei Developer website homepage. At the top, there is a navigation bar with the Huawei Developer logo and various menu items like 'Products & Solutions', 'Learning', 'Resource', 'RemoteLab', 'Community', and 'Case Center'. The main content area features a large banner for 'White Paper for Huawei Open APIs' with a red 'Enter' button. Below the banner, there is a section titled 'Build ecosystems' with several icons representing different technology areas: IoT, Cloud, Big Data & AI, Communication, Video, Networking, eLTE, and Operation for Carriers. On the right side, there is a vertical navigation bar with a red box highlighting two icons: a document icon and an envelope icon.
